To Whom It May Concern:

Google is pleased to let you know that Alvaro Lopes has been accepted to participate in the Google Summer of Code 2023 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Alvaro will participate as a GSoC Contributor beginning May 29, 2023 and ending on August 28, 2023, developing open source software for DBpedia. Alvaro is expected to spend approximately 175 hours working on their project. Alvaro will work from home on their project and will not be required to visit either Google or the offices of DBpedia.

More information on Alvaro Lopes's project can be found at:

<https://summerofcode.withgoogle.com/programs/2023/projects/3NTZTLYb>. The program is administered by Google, Alvaro Lopes will not be directly employed by Google during participation in Google Summer of Code.

This letter serves as official proof and verification of Alvaro Lopes's acceptance into Google Summer of Code 2023. Alternate proof cannot be provided. However, Alvaro may, subject to their mentor's approval, make adjustments to the start and end dates of the program, and their mentor may offer to provide verification to supplement this letter.
